

# 2013 SAUVIGNON BLANC SOUTH AUSTRALIA

ENJOY STARVE DOG LANE WINES RESPONSIBLY

## BOUNDLESS CURIOSITY

**What's a starving dog got to do with great wine?** Every dog is eternally curious; hungry for more. From the temperate climes of the Adelaide Hills, the warmer, hardier blocks of Clare Valley, and across the more select vineyards throughout South Australia, Starve Dog Lane's boundless energy for new tastes and fresh experiences breeds curiosity, enticing like-minded wine enthusiasts to join in the adventure. At home in the backyard, or on city streets, Starve Dog Lane is constantly on the trail of a new breed of wine tastes, smells, experiences... for a new breed of wine lovers.

## IRRESISTABLY APPROACHABLE

**Vintage Conditions:** This wine is a blend of two regional Sauvignon Blancs combining the generous fruit profile of warm climate fruit with the structure, acidity and finesse of cool climate fruit. Across the board 2013 was a pretty solid year for both regions. In the warm regions fruit was picked before the heat spikes of 2013 summer retaining good fruit flavour and acidity. Being protected from extreme fluctuations in temperature in the cool regions, fruit matured ideally with good flavour and subtle structural acid.

**Tasting Note:** Blended to create a balanced wine with the best of both warm and cool climates, this pure-bred South Aussie Sauvignon Blanc is comprehensively flavoursome. Peach and nectarine aromatics with hints of asparagus, cut hay and kiwi fruit entice the nose. With fresh crispy acidity and a fine textured granny smith finish adding length, this wine is designed to get curious noses excited.
